We will continue Cart Path Only on Holes #3, 13 and 14. Please adhere to our rules.

Thank you. In case you don't know the rule ↓

How To Adhere To The 90-Degree Rule

Let's say you tee off and hit your ball 250 yards down the middle of the fairway.

Instead of hopping in your cart and taking the shortest path by driving straight down the middle of the fairway to your ball, here is what you should do:

·Drive along the cart path until you are laterally even with your golf ball.

·Make a 90-degree turn and drive straight to your ball.

·After your shot, turn around and drive straight back to the cart path.

·Continue along the path until you are even with your ball again

·Turn onto the grass and go straight to your ball.
