Join Us!

The Lake Kezar Country Club is nestled in the foothills of the White Mountains in Lovell, Maine. The original 9 holes of this gem of a course were designed in 1924 by Donald Ross, with nine more holes added in 1998.
The challenges and beauty of these 18 holes as they wind their way through brooks, stonewalls and majestic Eastern white pine, are never-ending.

Format

18 hole scramble with shotgun start at 8:30 am

Sign-In

Day of the tournament sign-in starts at 7:30.
Please help us keep on schedule by pre-registering yourself and your team.

Golfers. Sponsors. Donors.
We Want You!
We Need You!

Every year the Harrison Village Library receives a portion of their operating budget from the town. We are grateful for the significant contribution they make, but our small organization must raise an additional $30,000 to meet our annual financial obligations. That's why this golf tournament is so important to the well being of our library and our community.

If You're a Golfer You'll Love Playing in Our Tournament

When you participate as a player in our tournament, your registration comes complete with 18 holes and cart, continental breakfast, catered luncheon at the conclusion, a complimentary beverage, and a goodie bag. There will also be skill contests and great raffle items to bid on.
